### SUMMARY

Hi! I am Taha Umar, a Front-End Web Developer with a passion for building dynamic, user-centric web applications. Proficient in React, Next.js, PHP, and Laravel, with experience in optimizing performance, implementing RESTful APIs, and integrating third-party services. Strong focus on delivering responsive, high-quality solutions, adhering to best practices and security standards.

### PROFESSIONAL EXPERIENCE

Snow Dream Studios

Web Developer

OCT 2023 - Present

- Built dynamic, scalable web applications using React, Next.js, PHP, and Laravel, integrating RESTful APIs and third-party services for seamless, responsive user experiences.
- Ensured performance optimization, cross-device compatibility, and security by implementing best practices and collaborating with cross-functional teams to meet quality standards and timelines.

Snow Dream Studios

Internship as a Front-End Web Developer

JUN 2023 - SEP 2023

- Contributed to project success by debugging, code reviews, and managing version control, while designing responsive, optimized front-end interfaces using HTML5, CSS3, and JavaScript.
- Collaborated in project planning with team members to deliver client-focused solutions on time, enhancing user experience through adherence to coding best practices and UI/UX standards.
